

## DIRECTIONS

### BACK IN TIME ON TUNIS BROOK

Sunday, June 10, 1:00-4:00pm

**Please allow plenty of time to travel to the starting point.** Plan on 30 minutes from downtown Hanover. Carpooling is recommended. The program will begin at the Tunis Schoolhouse on Wolfeboro Road and conclude at the Tunis Brook Mill Lot off Goose Pond Road.

Please print out these directions to bring with you. There is excellent cell service on Moose Mountain but it can be sketchy along the way. For last minute information, call 603-795-3155 or 603-398-2699.

**BRING:** Rain gear if weather threatens. Wear sturdy shoes that can stand a bit of wet walking and some challenging footing at the mill site. We'll have a few walking sticks available. The bugs enjoy this time of year, and you may want to bring some repellent.
