# HANOVER CONSERVANCY

*Protecting land & water in our community*

*land and water in our community*

## **Earth Day Edition**

**ALDO LEOPOLD**  
*on an earth ethic...*

"We abuse land because we regard it as a commodity belonging to us. When we see land as a COMMUNITY to which we belong, we may begin to use it with love and respect."

*A Sand County Almanac*

## **New Trail at Greensboro Ridge - Help Put Us Over the Top!**

We are delighted to announce plans for a new trail at our [Greensboro Ridge Natural Area](#). The route, recommended by biologists to avoid key habitats, will link existing trails to create a new loop past dramatic rock faces and more. Several generous donors, including the [Hypertherm HOPE Foundation](#), have started us off.

You have an unusual opportunity to help make it a reality! Each gift for this project made through [Clean Water Future](#) BY APRIL 30 will be matched dollar for dollar by the Northern Forest Watershed Services Project. Please visit this site to learn more about our plans and this innovative natural services investment site.

## **Lend a Hand on Earth Day!**

Join the action on Sunday afternoon, April 22:

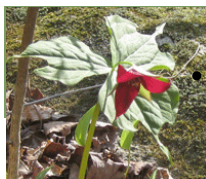

- Tunis Brook Mill Lot, 1-4pm. Calling all those with clippers, loppers or chainsaws & moxie to clear the overgrown path to this forested site of an 18th c. mill (right). Refreshments. [To volunteer](#)
- King Bird Sanctuary, 1-3pm. We'll be tidying up the new wildlife plantings and pruning back competitors. [To volunteer](#)

*Many hands make light work! Other chances to pitch in:*

- Tanzi Tract Work Day, Sat., April 28, 9am-noon. Bring clippers & work gloves to nurture the unusual native plant community by removing sprouting invasives. Meet at Brook Road gate to Mink Brook Nature Preserve. [To volunteer](#)
- Restoring native plants at Mink Brook Nature Preserve. Need 2-4 people to plant tree/shrub saplings & seedlings and more to pull garlic mustard invaders, 9-12 or 1-4pm on April 30, May 1, 2, 3 & 4. Meet at Brook Road gate. [To volunteer](#)
